

# **MANUFACTURER'S QUALIFICATION STATEMENT**

Effective 6/21/2023

## HEADQUARTERS:

14031 West Hardy  
Houston, Texas 77060  
(844) 327-1748  
[www.mbc.com](http://www.mbc.com)

## PLANT LOCATIONS:

MBCI manufacturing locations for Single Skin Metal Roof & Wall Systems:

- Rome, NY
- Adel, GA
- Atlanta, GA
- Hardy Houston, TX
- Indianapolis, IN
- Oklahoma City, OK
- Phoenix, AZ
- Salt Lake City, UT

## BACKGROUND:

Since 1976, MBCI has partnered with our customers to deliver high-quality metal building components backed by meaningful relationships and trusted performance. With our comprehensive portfolio and end-to-end expertise in building solutions, MBCI supports our customers throughout the project life cycle.

Headquartered in Houston, Texas, MBCI has manufacturing facilities and sales offices positioned strategically throughout the United States. MBCI offers a variety of metal roof and wall panel profiles, along with secondary structural components, trim, and related accessory items to satisfy our customers' needs.

## OPERATIONS & PRODUCTION:

MBCI is the industry-leading manufacturer of metal roof and wall systems for the architectural, agricultural, commercial, industrial, institutional, and residential markets. From concept to completion, MBCI dedicates its staff and facilities to providing quality products and service.

With numerous locations throughout the United States, MBCI utilizes hub-and-spoke distribution and ships orders from the nearest facility located to the job site in order to optimize our service level provided during the construction process. MBCI manufactures 90 percent of what it sells and provides support for both the conventional and engineered building construction industries. MBCI has a wide variety of profiles available in combinations of several gauges of steel or aluminum, as well as two distinct paint systems in smooth or embossed surface textures, to meet any project need. Standard light gauge steel framing products are available in multiple structural shape and gauge combinations. Thousands of trims, flashings and accessories are manufactured in gauges compatible with roofing, siding, and framing.

MBCI is committed to providing sustainable and energy efficient products to our customers. MBCI offers cool paint colors for all our metal roof panels. When properly used, considering the environment and the slope of the roof, a cool roof can help reduce energy consumption, providing significant cost savings while helping to mitigate urban heat islands.

Totally self-supporting, with in-house design capabilities for manufacturing equipment as well as product development, MBCI maintains a leading position in the metal construction industry. MBCI also operates an independently owned UL-approved test chamber.

**MAJOR PROJECT REFERENCES (contacts available upon request):**

Project Name	Location	Type of Work	Size
Pocatello Regional Airport Fire Station	Pocatello, ID	Roofing: Ultra-Dek	6,500 sq. ft.
Kansas Coliseum Pavilion	Wichita, KS	Roofing: Double-Lok	133,512 sq. ft.
Reactor Building 105D	Richland, WA	Roofing: BattenLok Wall: PBR 25 ga	15,000 sq. ft.
St. Louis Catholic School	Lake Charles, LA	Roofing: SuperLok	10,715 sq. ft.
Grace Bible School	Dallas, TX	Roofing: LokSeam	16,900 sq. ft.
Cade Community Center	Cade, LA	Roofing: Craftsman HB 16.5 Wall: FW-120 Soffit: Artisan	27,000 sq. ft.
McConnell AFB Building #65	Wichita, KS	Roofing: NuRoof, BattenLok HS Soffit: Artisan	41,500 sq. ft.
Lucedale Armory	Lucedale, MS	Roofing: SuperLok	6,100 sq. ft.
Guntown Middle School	Guntown, MS	Roofing: LokSeam	10,500 sq. ft.
Magee High School Gym	Magee, MS	Roofing: BattenLok	13,000 sq. ft.
Federal Express Input Canopy	Memphis, TN	Roofing: Double-Lok	77,000 sq. ft.
Penchansky-Bates Residence.	Brevard, NC	Roofing: Craftsman SB 12	3,000 sq. ft.
Comfort Inn	Tifton, GA	Roofing: NuRoof, LokSeam	20,375 sq. ft.
Edinburg Juvenile Justice Center	Edinburg, TX	Roofing: Ultra-Dek, Curved BattenLok	34,600 sq. ft.
Early Childhood Facilities	San Antonio, TX	Roofing: BattenLok Wall: ShadowRib, Artisan	21,400 sq. ft.
Camp Bullis Visiting Quarters	San Antonio, TX	Roofing: SuperLok Soffit: Artisan	15,300 sq. ft.

Batesville Gymnasium	Batesville, TX	Roofing: NuRoof, LokSeam Wall: NuWall Soffit: Artisan	18,700 sq. ft.
Hudson Bend Middle School	Austin, TX	Roofing: BattenLok, Double-Lok Soffit: Artisan	10,100 sq. ft.
City of Palmview Multipurpose Center/Gym	Palmview, TX	Roofing: BattenLok Soffit: Artisan	28,500 sq. ft.
Barracks Rebuild	Fort Hood, TX	Roofing: SuperLok	53,000 sq. ft.
